

Barbra Streisand - The Summer Knows

Tom: D

The summer smiles, the summer knows
 And unashamed, she sheds her clothes
 The summer smoothes the restless sky
 And lovingly she warms the sand on which you lie
 The summer knows, the summer's wise
 She sees the doubts within your eyes

And so she takes her summer time
 Tells the moon to wait and the sun to linger
 Twists the world 'round her summer finger
 Lets you see the wonder of it all
 And if you've learned your lesson well
 There's little more for her to tell
 One last carress it's time to dress for fall
