

Barbra Streisand - Woman In Love

Tom: B

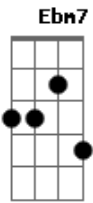

Ebm7 **Abm** **Ebm7**
 Life is a moment into space
Abm **B**
 When a dream is gone
Db **Gb**
 It's a lonely up place
Dbm **B**
 A kiss the morning good bye
Bbm **Abm**
 But down in...side
Ebm7 **Bb7**
 You know we never know why
Ebm7 **Abm** **Ebm7**
 The road is narrow and long
Abm **B**
 When eyes meet eyes
Db **Gb**
 I'm feeling strong
Dbm **Gb**
 I turn the way from the wall
B **Gb**
 I stumble and fall
B **Bb7**
 But I'll give you it all
Ebm7 **Bb7** **Ebm7**
 I am a woman in love
Bb7 **Ebm7**
 And I do anything
Bb7 **Ebm7**

To get you into my world
Bb7 **Ebm7**
 And hold you within
Db **Abm** **Gb**
 It's why I disere over and over again
Ebm7 **B7** **Db**
 What's I do
Ebm7 **Abm** **Ebm7**
 With you eternely mine
Abm **Ebm7**
 In love there is
Db **Gb**
 No mesure of time
Dbm **B**
 We planned it all and let is start
Bbm **Abm**
 That you and I
Bb7
 Live in each others part
Ebm7 **Abm** **Ebm7**
 We may run oceans away
Abm **B**
 If you my love
Db **Gb**
 I hear what you say
Dbm **Gb**
 No truth is ever and I
B **Gb**
 I stumble and fall
B **Bb7**
 But I'll give you it all
