

BarlowGirl - Tears Fall

Tom: A

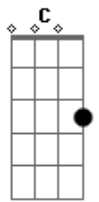

m ^C
 I have had the same dream many times ^{Dm} ^B
^C
 It haunts my mind
 Its starts with a life ^{Dm}
^B ^C
 But it ends every time
^{Dm} ^B
 Oh, so many faces that this world
^C
 Will never see
^{Dm}
 A reason for you life
^B ^C
 But your heart will never beat
^{F G} ^{C E}
 May our tears fall down
^{F G} ^{C E}
 May they soften this ground
^{F G} ^{C E}
 May our hearts be found
^{F G} ^{C E}
 God, forgive us now
^C ^{Dm} ^B
 Oh, what have we lost because we chose

^C
 We'll never know
^{Dm} ^B ^C
 And loving you is better than feeling alone
^{Dm}
 And all our claims to freedom
^B ^C
 Have become these heavy chains
^{Dm}
 And in the name of rights
^B ^C
 We keep filling nameless graves
^{F G} ^{C E}
 May our tears fall down
^{F G} ^{C E}
 May they soften this ground
^{F G} ^{C E}
 May our hearts be found
^{F G} ^{C E}
 God, forgive us now
^{F G} ^{C E}
 May our tears fall down
^{F G} ^{C E}
 May they soften this ground
^{F G} ^{C E}
 May our hearts be found
^{F G} ^{C E}
 God, forgive us now
