

Barns Courtney - Dopamine

tom:

Intro: Am F C

Am F
Eyes flash in the dark

Am C E
Can I give you a hit for your pinball heart?

Am F
So lightly we tread

Am C E
You were calling me up from your hospital bed

Am F C
Now we're doing it all again

Am F
As the dopamine begins to light your eyes

Am C E7
There's nothing but the dust and dirt to keep us up tonight

Am F
And my heart is singing, screaming, "I'm alive"

Am C E7
Oh, darling, if we end it all at least you're by my side

Am F C
And we can never die

(Am F C)

Am F
You dance sugar-sweet

Am C E
Wearing nothing but furs and the shoes on your feet

Am F C
Who knows when we'll meet again

Am F
And it's always the same

Am C E
See the drink couldn't wash out the taste of your name

Am F C
Can you tell me it's not the end?

Am F
As the dopamine begins to light your eyes

Am C E7
There's nothing but the dust and dirt to keep us up tonight

Am F
And my heart is singing, screaming, "I'm alive"

Am C E7
Oh, darling, if we end it all at least you're by my side

Am F C E7
And we can never die

We can never die

(Am F C G)
