

Barns Courtney - Fire

Tom: D

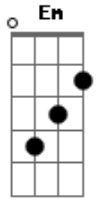

Lonely shadow's following me
 Lonely ghost come crawling
 Lonely voices talking to me
 Now I'm gone now I'm gone now I'm gone
 And my mother told me
 Son let it be

Sold my soul to the calling
 Sold my soul to sweet melody
 Now I'm gone now I'm gone now I'm gone
 Now give me that fire
 Now give me that fire
 Now give me that fire
 Burn burn burn
