Tom: D

Em D G
 Ontem ela entrou no carro e saiu pra rua
 B7 Em E7
 Não disse para onde ia e o que foi fazer
 Am Em
 Fiquei esperando por ela a noite inteirinha
 B7 Em
 E em claro vi passar o tempo ate amanhecer

 D G
 O pranto ia deslizando em meu rosto triste
 B7 Em E7
 Somente assim consegui me desabafar
 Am Em
 Enquanto as horas passavam em lenta agonia
 B7

Decorava as frases que eu lhe diria
 E E7
 Quando ela chegasse pra se desculpar

 A B7 E
 Queria quando ela voltasse ofendê-la tanto
 Dbm Gbm
 Deixá-la magoada, arrancar-lhe o pranto
 B7 E E7
 Esgotar meu ódio era meu desejo

 A B7 E
 Porem ao vê-la em minha frente não sei que faço
 Dbm Gbm
 Esqueço de tudo, caio nos seus braços
 B7 E
 E louco de amor lhe cubro de beijos
