

Barry Gibb - Star Crossed Lovers

Tom: D

Eb
Star crossed lovers, waiting to begin

Eb
Don't you know something beautiful has passed you by

Eb
Oh star crossed lovers

Bb **Eb**
Too much in love to say goodbye

Star crossed lovers, waiting to be heard

Em
No we can't be together if we never try

Eb
Oh star crossed lovers,

Bb **Eb**
You know I hate to see you cry

I used to hang around, waiting on the chance
You could be everything to me
But you just turn away, leading me the dance

Cm **Bb**
I'd be the lonely one inside the sun

Eb
Star crossed lovers written on the wind

Em

Don't you know something beautiful has passed you by

Eb
Oh star crossed lovers,

Bb **Eb**
Too much in love to say goodbye

Solo

Eb
I used to be the judge
I know you were right, we came to feel as lovers do
I knew just looking in, waiting for the smile

Cm **Bb**
I'd be the lonely one, inside the sun

Eb
Star crossed lovers, never to begin

Em
Don't you know something beautiful has passed you by

Eb **Bb** **Eb**
Oh star crossed lovers, too much in love to say goodbye
