I remember all my life,

Morning's just another day,  
**Bb7**  
Happy people pass my way,

**Bb**  
Oh, Mandy,  
**Gm Eb F**  
When you came and you gave without taking,

But I sent you away, oh, Mandy,

When you kissed me and stopped me from shaking,

And I need you today, oh, Mandy.

Standing on the edge of time,

I walked away when love was mine,

The tears are in my eyes, and nothing is rhyming,
