Tom: Eb

keep the love light burnin' but whatever I've done I guess I
 just haven't done it too good' cause all that's left is
 yearning I've

Doctor, my woman is comin' back home late today could ya maybe
 give me somethin'

Cause the feelin' is gone and I must get it back right away
 Been up, down tryin' to get the feelin' again all aro--und,
 tryin' to get the feelin' again

Before she sees that I've been
 The one that made me shiver made my knees start to quiver
 every time she walked in

Up, down, tryin' to get the feelin' again all aro--und, tryin'
 to get the feelin' again

The one that made me shiver made my knees start to quiver
 every time she walked in

And I've been lookin' I've been lookin' I've been lookin' I've
 been up (Up)

And I've looked high Low everywhere I possibly can but there's
 no

Tryin' to get the feelin' again It seemed to disappear as fast
 as it came

Stanza II

I've got to get that feelin' I've gotta get that feelin' again
 and ag-----ain

Where did it run to I thought I'd done all that I could just
 to

And again and again Tryin' to get the feeling I've been tryin'
 to get the feelin' ag-----ain
