

# Bastille - Durban Skies

Tom: G

<sup>G</sup>  
All that we got to be thankful for  
<sup>Em</sup>  
All that we got to be thankful for  
<sup>C</sup> <sup>G</sup>  
In the heat, try to love these streets  
  
<sup>G</sup>  
In this town, it all went down  
<sup>C</sup>  
our chromosomes in sepia tones  
<sup>Em</sup> <sup>D</sup> <sup>C</sup>  
in my mind, in my mind  
<sup>G</sup>  
Where you lead your lives before  
<sup>C</sup>  
From our small island brought right back  
<sup>Em</sup> <sup>D</sup> <sup>C</sup>  
To these shores, to these shores, to these shores

<sup>Em</sup> <sup>G</sup>  
It's alive, it's alive when  
<sup>C</sup> <sup>D</sup>  
I see it through your eyes  
<sup>Em</sup> <sup>G</sup>  
It's alive, It's alive  
<sup>C</sup> <sup>D</sup>  
Now I understand your lies  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup>  
You show me the city  
<sup>D</sup>  
I see it through your eyes  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup>  
We drive through the city  
<sup>D</sup>  
beneath the Durban Skies

<sup>Em</sup>  
Oh oh oh oh oh oh oh oh oh oh oh oh  
<sup>G</sup>  
Oh oh oh oh oh oh  
<sup>D</sup>  
Oh oh oh oh oh oh oh  
<sup>G</sup>  
All that we got to be thankful for  
  
<sup>G</sup>  
On the day you made your vows  
<sup>C</sup>  
The heavens opened, rain poured down  
<sup>Em</sup> <sup>D</sup> <sup>C</sup>  
It poured down, down, down  
<sup>G</sup>  
Grey and brown, the seventies  
<sup>C</sup>  
It shoots you war, and the ones you love  
<sup>Em</sup> <sup>D</sup> <sup>C</sup>  
Were so young, were so young, God, you were so young

<sup>Em</sup> <sup>G</sup>

It's alive, it's alive when  
<sup>C</sup> <sup>D</sup>  
I see it through your eyes  
<sup>Em</sup> <sup>G</sup>  
It's alive, It's alive  
<sup>C</sup> <sup>D</sup>  
Now I understand your lies  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup>  
You show me the city  
<sup>D</sup>  
I see it through your eyes  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup>  
We drive through the city  
<sup>D</sup>  
beneath the Durban Skies

<sup>Em</sup>  
Oh oh oh oh oh oh oh oh oh oh oh oh  
<sup>G</sup>  
Oh oh oh oh oh oh  
<sup>D</sup>  
Oh oh oh oh oh oh oh  
<sup>G</sup>  
All that we got to be thankful for  
<sup>Em</sup>  
Oh, all that we got to be thankful for  
<sup>G</sup>  
All we got to be thankful for

<sup>Em</sup> <sup>G</sup>  
It's alive, it's alive when  
<sup>C</sup> <sup>D</sup>  
I see it through your eyes  
<sup>Em</sup> <sup>G</sup>  
It's alive, It's alive  
<sup>C</sup> <sup>D</sup>  
Now I understand your lies  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup>  
You show me the city  
<sup>D</sup>  
I see it through your eyes  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup>  
We drive through the city  
<sup>D</sup>  
beneath the Durban Skies

<sup>C</sup> <sup>G</sup> <sup>Em</sup> <sup>D</sup>  
When you take me there  
<sup>C</sup> <sup>G</sup> <sup>Em</sup> <sup>D</sup>  
When you take me there  
  
<sup>C</sup> <sup>Em</sup>  
When you take me there  
<sup>G</sup> <sup>D</sup>  
It's alive, It's alive  
<sup>C</sup> <sup>G</sup>  
When you take me there  
<sup>Em</sup> <sup>D</sup>  
It's alive, It's alive
