

Bastille - Fake It

Tom: F

And I don't think that that's a selfish want, I really don't
 I'm not saying that I have this capacity
 Because it's hard to develop that capacity on your own
 When you're being stopped at every turn

(Bb Dm F C)

Dm Bb F C
 Drive around, night time, nowhere to go
 Dm Bb F C
 Melt me down, I'm like wax to your jokes
 Dm Bb F C
 Lost and found, knocking heads, laying low
 Dm Bb C
 And there's no point reliving crimes to lose this
 Bb C
 Still wanna waste all of my time

F C
 I wanna waste all of my time

Bb C
 Still wanna waste all of my time

F C
 I wanna waste all of my time

A7 F
 With you

Bb Dm F C
 Oh, my lover, my lover, my love

C
 We can never go back

Bb Dm F C
 We can only do our best to recreate

Bb Dm F C
 Don't turn over, turn over the page

C
 We should rip it straight out

Dm Bb C
 Then let's try our very best to fake it

Dm Bb F C
 Show me joy, flowers through desert rain

Dm Bb F C
 Let's destroy each mistake that we made

Dm Bb F C
 Then restore the color back to the grey

Dm Bb C
 There's no pride in sharing scars to prove it

Bb C
 Still wanna waste all of my time

F C
 I wanna waste all of my time

Bb C
 Still wanna waste all of my time

F C
 I wanna waste all of my time

A7
 With you

Bb Dm F C
 Oh, my lover, my lover, my love

C
 We can never go back

Bb Dm F C
 We can only do our best to recreate

Bb Dm F C
 Don't turn over, turn over the page

C
 We should rip it straight out

Dm Bb C
 Then let's try our very best to fake it

Bb C
 Help me turn a blind eye

F C
 Days and nights we lost to weakness

Bb C
 Help me turn a blind eye

F C
 Days and nights we lost to weakness

(Bb Dm F C)

Bb Dm F C
 Oh, my lover, my lover, my love

C
 We can never go back

Bb Dm F C
 We can only do our best to recreate

Bb Dm F C
 Don't turn over, turn over the page

 We should rip it straight out

Dm Bb C
 Then let's try our very best to fake it

Bb Dm F C
 Oh, my lover, my lover, my love
