[Primeira Parte]

Bm G
 Deep in a corner of the night

 We were lying in the middle of the road

 Counting the planes as they flew by

 Inconceivable imagining them go

 As we fell and hit our heads upon the curb
 Bm G
 You make me laugh until I die
 D A
 Can you think of any better way to choke?

[Pré-Refrão]

G Bm A D
 Stories told to me and stories told to you
 G Bm A D
 And did you ever feel like they were ringing true?

[Refrão]

G
 And all their words for glory
 A Bm
 Well they all, they sounded empty
 A D
 When we're looking up for heaven
 A
 Looking up for heaven
 G A
 Way down here upon the ground
 Bm
 When we're lying in the dirt
 A D
 There's no looking up for heaven
 A
 Looking up for heaven

We admit we really know nothing at all
