

# Bastille - Hangin'

Tom: C

Am G  
Hindsight's a wonderful thing  
C Dm  
When we're all experts and pretend  
Am G  
Where's a good place to begin  
C  
Let's start with the truth  
Dm  
'Cause it gets you in the end  
Am G  
Hangin' the past out to dry  
C Dm  
String it up, all of your regrets  
Am G  
No matter how hard you try  
C  
They blow round in the breeze  
Dm  
Through the branches in your hair  
F C  
Still through the leaves  
G C  
The wind keeps blowing, so  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G C Dm  
Ooh... it's coming for you (2x)  
Am G  
Hindsight's an unhelpful friend  
C Dm  
Who's waiting there at the end  
Am G  
He catches you unaware  
C  
With "I told you so"  
Dm  
And the spirit to the stairs  
Am G  
Now that it all seems so clear  
C Dm  
You can end the lies from now here  
Am G  
Those bits you'd rather forget  
C

Cut them down, cut them down  
Dm  
And lay them all to rest, cause  
F C  
Still through the leaves  
G C  
The wind keeps blowing, so  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G C  
Ooh... it's coming for you (2x)  
F C G  
Just leave me hangin' in breeze if it makes you feel better  
G C  
cause still through the leaves the wind keeps blowing  
F C G  
I could just turn the other cheek if it makes you feel better  
G C  
cause still through the leaves the wind keeps blowing, but  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you  
Am G C Dm  
Ooh... it's coming for you (2x)  
Am G  
(Don't leave me hangin')  
C Dm  
I'm coming for you, I'm coming for you  
Am G  
Don't leave me hangin'  
C Dm  
I'm coming for you, I'm coming for you.
