

Bastille - Million Pieces

tom:

Intro: G D A D

[Primeira Parte]

I breathe in hard

Don't speak, 'cause it's like a bitter pill

You blow my mind

It makes my heart beat

(Harder, harder, harder, harder, hard)

[Segunda Parte]

The king's a clown

No one is laughing, it's not a drill

Don't look outside

The world is ending

(Faster, faster, faster, faster, fast)

[Pré-Refrão]

The echoes of that news ring loud

(The echoes, the echoes)

No sound can ever drown it out (The echoes)

[Refrão]

It breaks my heart, breaks my heart

Into a million pieces

Oh, it breaks my heart into a million pieces

If it's gonna break me won't you let me go?

Leave it 'til the morning, I don't wanna know

Breaks my heart, breaks my heart

Into a million pieces

(Oh, oh, oh, oh, oh, oh) A million pieces

[Terceira Parte]

We're too far gone

Nothing I say will mean anything

Just drink, fuck, dance

Right through disaster

(I don't want to talk about it now)

Acordes

[Pré-Refrão]

The echoes of that news ring loud

(The echoes, the echoes)

No music ever drowns it out (The echoes)

[Refrão]

It breaks my heart, breaks my heart

Into a million pieces

Oh, it breaks my heart into a million pieces

If it's gonna break me won't you let me go?

Leave it 'til the morning, I don't wanna know

Breaks my heart, breaks my heart

Into a million pieces

(Oh, oh, oh, oh, oh, oh) A million pieces

[Ponte]

Ooh, ooh, ooh, ooh

Get fear and loathing out your mind

And don't pull me, don't pull me down

From the ceiling

(G D A)

[Refrão]

It breaks my heart, breaks my heart

Into a million pieces

Oh, it breaks my heart into a million pieces

If it's gonna break me won't you let me go?

Leave it 'til the morning, I don't wanna know

Breaks my heart, breaks my heart

Into a million pieces

[Final]

(Oh, oh, oh, oh, oh, oh) A million pieces

(Oh, oh, oh, oh, oh, oh) A million pieces

(Oh, oh, oh, oh, oh, oh) A million pieces

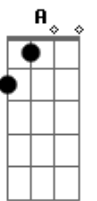

(Oh, oh, oh, oh, oh, oh, oh, oh)
