

# Bastille - Skulls

Tom: Db

Bbm Ab Gb  
 I came here for sanctuary  
 Bbm Ab Gb  
 Away from the winds and the sounds of the city  
 Bbm Ab Gb  
 I came here to get some peace  
 Bbm Ab Gb  
 Way down deep where the shadows are heavy  
  
 Bbm Ab Gb  
 I can't help but think of you  
 Bbm Ab Gb  
 In these four walls my thoughts seem to wander  
 Bbm Ab Gb  
 To some distant century  
 Bbm Ab Gb  
 When everyone we know is six feet under  
  
 Gb Bbm  
 When all of our friends are dead and just a memory  
 Ab Gb  
 And we're side by side it's always been just you and me  
 Gb  
 For all to see  
  
 Gb Bbm Ab Gb  
 When our lives are over and all that remains  
 Gb Bbm Ab Gb  
 Are our skulls and bones let's take it to the grave  
 Gb Bbm  
 And hold me in your arms, hold me in your arms  
 Ab Gb  
 I'll be buried here with you  
 Gb Bbm Ab Gb  
 And I'll hold in these hands all that remains  
  
 Bbm Ab Gb  
 I don't want to rest in peace  
 Bbm Ab Gb  
 I'd rather be the ghost that annoys you  
 Bbm Ab Gb  
 I hope you can make me laugh  
 Bbm Ab Gb

Six feet down when we're bored of each other  
 Bbm Ab Gb  
 A match is our only light  
 Bbm Ab Gb  
 It's day of the dead and I'm Indiana Jones here  
 Bbm Ab Gb  
 These coins sit upon our eyes  
 Bbm Ab Gb  
 Pool our funds and pay the boat together  
  
 Gb Bbm  
 When all of our friends are dead and just a memory  
 Ab Gb  
 And we're side by side it's always been just you and me  
 Gb  
 For all to see  
  
 Gb Bbm Ab Gb  
 When our lives are over and all that remains  
 Gb Bbm Ab Gb  
 Are our skulls and bones let's take it to the grave  
 Gb Bbm  
 And hold me in your arms, hold me in your arms  
 Ab Gb  
 I'll be buried here with you  
 Gb Bbm Ab Gb  
 And I'll hold in these hands all that remains  
  
 Gb Bbm  
 And now it's all before you  
 Ab Gb  
 Hold me in your arms, hold me in your arms (x2)  
  
 Gb Bbm Ab Gb  
 When our lives are over and all that remains  
 Gb Bbm Ab Gb  
 Are our skulls and bones let's take it to the grave  
 Gb Bbm  
 And hold me in your arms, hold me in your arms  
 Ab Gb  
 I'll be buried here with you  
 Gb Bbm Ab Gb  
 And I'll hold in these hands all that remains
