

Bastille - Skulls

Tom: Db

Bbm Ab Gb
 I came here for sanctuary
Bbm Ab Gb
 Away from the winds and the sounds of the city
Bbm Ab Gb
 I came here to get some peace
Bbm Ab Gb
 Way down deep where the shadows are heavy

Bbm Ab Gb
 I can't help but think of you
Bbm Ab Gb
 In these four walls my thoughts seem to wander
Bbm Ab Gb
 To some distant century
Bbm Ab Gb
 When everyone we know is six feet under

Gb Bbm
 When all of our friends are dead and just a memory
Ab Gb
 And we're side by side it's always been just you and me
Gb
 For all to see

Gb Bbm Ab Gb
 When our lives are over and all that remains
Gb Bbm Ab Gb
 Are our skulls and bones let's take it to the grave
Gb Bbm
 And hold me in your arms, hold me in your arms
Ab Gb
 I'll be buried here with you
Gb Bbm Ab Gb
 And I'll hold in these hands all that remains

Bbm Ab Gb
 I don't want to rest in peace
Bbm Ab Gb
 I'd rather be the ghost that annoys you
Bbm Ab Gb
 I hope you can make me laugh
Bbm Ab Gb

Six feet down when we're bored of each other
Bbm Ab Gb
 A match is our only light
Bbm Ab Gb
 It's day of the dead and I'm Indiana Jones here
Bbm Ab Gb
 These coins sit upon our eyes
Bbm Ab Gb
 Pool our funds and pay the boat together

Gb Bbm
 When all of our friends are dead and just a memory
Ab Gb
 And we're side by side it's always been just you and me
Gb
 For all to see

Gb Bbm Ab Gb
 When our lives are over and all that remains
Gb Bbm Ab Gb
 Are our skulls and bones let's take it to the grave
Gb Bbm
 And hold me in your arms, hold me in your arms
Ab Gb
 I'll be buried here with you
Gb Bbm Ab Gb
 And I'll hold in these hands all that remains

Gb Bbm
 And now it's all before you
Ab Gb
 Hold me in your arms, hold me in your arms (x2)

Gb Bbm Ab Gb
 When our lives are over and all that remains
Gb Bbm Ab Gb
 Are our skulls and bones let's take it to the grave
Gb Bbm
 And hold me in your arms, hold me in your arms
Ab Gb
 I'll be buried here with you
Gb Bbm Ab Gb
 And I'll hold in these hands all that remains
