

Bastille - Skulls

Tom: Db

Bbm Ab Gb
 I came here for sanctuary
 Bbm Ab Gb
 Away from the winds and the sounds of the city
 Bbm Ab Gb
 I came here to get some peace
 Bbm Ab Gb
 Way down deep where the shadows are heavy

 Bbm Ab Gb
 I can't help but think of you
 Bbm Ab Gb
 In these four walls my thoughts seem to wander
 Bbm Ab Gb
 To some distant century
 Bbm Ab Gb
 When everyone we know is six feet under

 Gb Bbm
 When all of our friends are dead and just a memory
 Ab Gb
 And we're side by side it's always been just you and me
 Gb
 For all to see

 Gb Bbm Ab Gb
 When our lives are over and all that remains
 Gb Bbm Ab Gb
 Are our skulls and bones let's take it to the grave
 Gb Bbm
 And hold me in your arms, hold me in your arms
 Ab Gb
 I'll be buried here with you
 Gb Bbm Ab Gb
 And I'll hold in these hands all that remains

 Bbm Ab Gb
 I don't want to rest in peace
 Bbm Ab Gb
 I'd rather be the ghost that annoys you
 Bbm Ab Gb
 I hope you can make me laugh
 Bbm Ab Gb

Six feet down when we're bored of each other
 Bbm Ab Gb
 A match is our only light
 Bbm Ab Gb
 It's day of the dead and I'm Indiana Jones here
 Bbm Ab Gb
 These coins sit upon our eyes
 Bbm Ab Gb
 Pool our funds and pay the boat together

 Gb Bbm
 When all of our friends are dead and just a memory
 Ab Gb
 And we're side by side it's always been just you and me
 Gb
 For all to see

 Gb Bbm Ab Gb
 When our lives are over and all that remains
 Gb Bbm Ab Gb
 Are our skulls and bones let's take it to the grave
 Gb Bbm
 And hold me in your arms, hold me in your arms
 Ab Gb
 I'll be buried here with you
 Gb Bbm Ab Gb
 And I'll hold in these hands all that remains

 Gb Bbm
 And now it's all before you
 Ab Gb
 Hold me in your arms, hold me in your arms (x2)

 Gb Bbm Ab Gb
 When our lives are over and all that remains
 Gb Bbm Ab Gb
 Are our skulls and bones let's take it to the grave
 Gb Bbm
 And hold me in your arms, hold me in your arms
 Ab Gb
 I'll be buried here with you
 Gb Bbm Ab Gb
 And I'll hold in these hands all that remains
