

# Bastille - Skulls

Tom: Db

**Bbm Ab Gb**  
 I came here for sanctuary  
**Bbm Ab Gb**  
 Away from the winds and the sounds of the city  
**Bbm Ab Gb**  
 I came here to get some peace  
**Bbm Ab Gb**  
 Way down deep where the shadows are heavy  
  
**Bbm Ab Gb**  
 I can't help but think of you  
**Bbm Ab Gb**  
 In these four walls my thoughts seem to wander  
**Bbm Ab Gb**  
 To some distant century  
**Bbm Ab Gb**  
 When everyone we know is six feet under  
  
**Gb Bbm**  
 When all of our friends are dead and just a memory  
**Ab Gb**  
 And we're side by side it's always been just you and me  
**Gb**  
 For all to see  
  
**Gb Bbm Ab Gb**  
 When our lives are over and all that remains  
**Gb Bbm Ab Gb**  
 Are our skulls and bones let's take it to the grave  
**Gb Bbm**  
 And hold me in your arms, hold me in your arms  
**Ab Gb**  
 I'll be buried here with you  
**Gb Bbm Ab Gb**  
 And I'll hold in these hands all that remains  
  
**Bbm Ab Gb**  
 I don't want to rest in peace  
**Bbm Ab Gb**  
 I'd rather be the ghost that annoys you  
**Bbm Ab Gb**  
 I hope you can make me laugh  
**Bbm Ab Gb**

Six feet down when we're bored of each other  
**Bbm Ab Gb**  
 A match is our only light  
**Bbm Ab Gb**  
 It's day of the dead and I'm Indiana Jones here  
**Bbm Ab Gb**  
 These coins sit upon our eyes  
**Bbm Ab Gb**  
 Pool our funds and pay the boat together  
  
**Gb Bbm**  
 When all of our friends are dead and just a memory  
**Ab Gb**  
 And we're side by side it's always been just you and me  
**Gb**  
 For all to see  
  
**Gb Bbm Ab Gb**  
 When our lives are over and all that remains  
**Gb Bbm Ab Gb**  
 Are our skulls and bones let's take it to the grave  
**Gb Bbm**  
 And hold me in your arms, hold me in your arms  
**Ab Gb**  
 I'll be buried here with you  
**Gb Bbm Ab Gb**  
 And I'll hold in these hands all that remains  
  
**Gb Bbm**  
 And now it's all before you  
**Ab Gb**  
 Hold me in your arms, hold me in your arms (x2)  
  
**Gb Bbm Ab Gb**  
 When our lives are over and all that remains  
**Gb Bbm Ab Gb**  
 Are our skulls and bones let's take it to the grave  
**Gb Bbm**  
 And hold me in your arms, hold me in your arms  
**Ab Gb**  
 I'll be buried here with you  
**Gb Bbm Ab Gb**  
 And I'll hold in these hands all that remains
