

# Bastille - These Streets

Tom: C

<sup>F</sup> These streets are yours <sup>C</sup> you can keep them  
<sup>Am G Am</sup>  
 I don't want them  
<sup>F</sup> They pull me back and I surrender <sup>C</sup>  
<sup>Am G Am</sup>  
 To the memories I run from

<sup>F G Am</sup>  
 Oh we have paved these streets  
<sup>F G Am</sup>  
 With moments of defeat

<sup>F C Am G</sup>  
 But even if we won't admit it to ourselves  
<sup>F C G Am G</sup>  
 We'll walk upon these streets and think of little else  
<sup>F C Am G</sup>  
 But I won't show my face here anymore  
<sup>F C Am G</sup>  
 I won't show my face here anymore

<sup>F C</sup> These streets are yours <sup>C</sup> you can keep them  
<sup>Am G Am</sup>  
 In my mind it's like you haunt them  
<sup>F C</sup>  
 And passing through I think I see you  
<sup>Am G Am</sup>  
 In the shapes of other women

<sup>F G Am</sup>  
 Oh we have filled these walls  
<sup>F G Am</sup>

With our mistakes and flaws

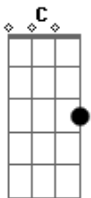

<sup>F C Am G</sup>  
 But even if we won't admit it to ourselves  
<sup>F C G Am</sup>  
 We'll walk upon these streets and think of little else  
<sup>F C Am G</sup>  
 But I won't show my face here anymore  
<sup>F C Am G</sup>  
 I won't show my face here anymore

(F G Am)(x2)

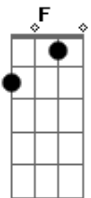

<sup>F G Am</sup>  
 All that's left behind  
<sup>F G Am</sup>  
 Is a shadow on my mind  
 (Oh a shadow comes upon a wall is silhouette and nothing more  
 but it's all that's left behind)  
<sup>F G Am</sup>  
 All that's left behind  
<sup>F G Am</sup>  
 Is a shadow on my mind

<sup>F C Am G</sup>  
 But even if we won't admit it to ourselves  
<sup>F C G Am</sup>  
 We'll walk upon these streets and think of little else  
<sup>F C Am G</sup>  
 But I won't show my face here anymore  
<sup>F C Am G</sup>  
 I won't show my face here anymore  
<sup>F C Am G</sup>  
 I won't show my face here anymore  
<sup>F C Am G</sup>  
 I won't show my face here anymore
