

Bastille - These Streets

Tom: C

^F These streets are yours ^C you can keep them
^{Am G Am}
 I don't want them
^F They pull me back and I surrender ^C
^{Am G Am}
 To the memories I run from

^{F G Am}
 Oh we have paved these streets
^{F G Am}
 With moments of defeat

^{F C Am G}
 But even if we won't admit it to ourselves
^{F C G Am G}
 We'll walk upon these streets and think of little else
^{F C Am G}
 But I won't show my face here anymore
^{F C Am G}
 I won't show my face here anymore

^{F C} These streets are yours ^C you can keep them
^{Am G Am}
 In my mind it's like you haunt them
^{F C}
 And passing through I think I see you
^{Am G Am}
 In the shapes of other women

^{F G Am}
 Oh we have filled these walls
^{F G Am}

With our mistakes and flaws

^{F C Am G}
 But even if we won't admit it to ourselves
^{F C G Am}
 We'll walk upon these streets and think of little else
^{F C Am G}
 But I won't show my face here anymore
^{F C Am G}
 I won't show my face here anymore

(F G Am)(x2)

^{F G Am}
 All that's left behind
^{F G Am}
 Is a shadow on my mind
 (Oh a shadow comes upon a wall is silhouette and nothing more
 but it's all that's left behind)
^{F G Am}
 All that's left behind
^{F G Am}
 Is a shadow on my mind

^{F C Am G}
 But even if we won't admit it to ourselves
^{F C G Am}
 We'll walk upon these streets and think of little else
^{F C Am G}
 But I won't show my face here anymore
^{F C Am G}
 I won't show my face here anymore
^{F C Am G}
 I won't show my face here anymore
^{F C Am G}
 I won't show my face here anymore
