

Bastille - Things We Lost In The Fire

Tom: C

Em C D
 Things we lost to the flame
 Em C Am D
 Things we'll never see again
 Em C D
 All that we've amassed
 Em C Am D
 Sits before us, shattered into ash

Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire
 Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire

Em D
 We sat and made a list
 Bm C
 Of all the things that we have
 Em D
 Down the backs of table tops
 Bm C
 Ticket stubs and your diaries
 Em D
 I read them all one day
 Bm C
 When loneliness came and you were away
 Em D
 Oh they told me nothing new,
 Bm C
 But I love to read the words you used

Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire
 Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire

Em D
 I was the match and you were the rock
 Bm C
 Maybe we started this fire
 Em D
 We sat apart and watched

Bm C
 All we had burned on the pyre

Em D
 (You said) we were born with nothing
 Bm C
 And we sure as hell have nothing now
 Em D
 (You said) we were born with nothing
 Bm C
 And we sure as hell have nothing now

Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire
 Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire

Am F
 Do you understand that we will
 C G
 Never be the same again?
 Am F
 Do you understand that we will
 C G
 Never be the same again?

Am F
 The futures in our hands and we will
 C G
 Never be the same again
 Am F
 The futures in our hands and we will
 C G
 Never be the same again

Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire
 Em D
 These are the things, the things we lost
 Bm C
 The things we lost in the fire fire fire

Em C D
 Flames they licked the walls
 Em C Am D
 Tenderly they turned to dust all that I adore
