

# Bastille - Weight Of Living (pt. II)

Tom: C

The weight of living  
 The weight of living  
 The weight of living  
 The weight of living

All that you desired, when you were a child  
 Was to be old, was to be old  
 Now that you are here, suddenly you fear  
 You've lost control, you've lost control

Do you like the person you've become? Oh

Under the weight of living  
 You are under the weight of living  
 Under the weight of living  
 You are under the weight

The weight of living, the weight of living

It all crept up on you, in the night it got you  
 And plagued your mind, it plagues your mind

Every day that passes, faster than the last did  
 And you'll be old soon, you'll be old

Do you like the person you've become? Oh

Under the weight of living  
 You are under the weight of living  
 Under the weight of living  
 You are under the weight

The weight of living, the weight of living

(Tell yourself this is how it's going to be)  
 (Tell yourself this is how it's going to be)  
 Oh, tell yourself this is how it's going to be  
 Oh, tell yourself this is how it's going to be

Under the weight of living  
 You are under the weight of living  
 Under the weight of living  
 You are under the weight

The weight of living, the weight of living  
 The weight of living, the weight of living
