

# Bastille - World Gone Mad

Tom: A  
 Intro: D Gbm E  
           D Gbm E

          D                  Gbm  
 So this is where we are  
                                   E  
 It's not where we had wanted to be  
           D                  Gbm  
 If half the world's gone mad  
                                   E  
 The other half just don't care, you see

          D                  E          Gbm  
 You don't want to fuck with us  
           D                  E          Gbm  
 British to the very last

          D                                  A  
 When it feels like the world's gone mad  
           E                                  D  
 And there's nothing you can do about it  
                                   Gbm          E  
 No there's nothing you can do about it  
           D                                  A  
 When it feels like the world's gone mad  
           E                                  D  
 And there's nothing you can do about it  
                                   Gbm  
 No there's nothing you can do about it

          D                                  Dbm  
 So tell me what's the news  
           f#m                          E  
 And what is it you want me to see  
           D                                  Dbm  
 We're lying to ourselves  
           Gbm                          E  
 And dancing by the light of the screen

          D                  E          Gbm  
 You don't want to fuck with us  
           D                  E          Gbm  
 British to the very last

          D                                  A  
 When it feels like the world's gone mad  
           E                                  D  
 And there's nothing you can do about it  
                                   Gbm          E  
 No there's nothing you can do about it  
           D                                  A  
 When it feels like the world's gone mad  
           E                                  D  
 And there's nothing you can do about it  
                                   Gbm  
 No there's nothing you can do about it

          D  
 Another man holding a microphone  
           Gbm                          E  
 Trying to say something at all  
           D  
 Or finding himself on an empty road  
           Gbm                          E  
 Trying to choose which way to go

          D          Gbm                  E  
 So, you wanna make some money?  
                           Gbm  
 You wanna make some money  
           D                  E          Gbm  
 So, you wanna be somebody?  
                           A  
 You wanna make some money

          D                                  A  
 When it feels like the world's gone mad  
           E                                  D  
 And there's nothing you can do about it  
                                   Gbm          E  
 No there's nothing you can do about it  
           D                                  A  
 When it feels like the world's gone mad  
           E                                  D  
 And there's nothing you can do about it  
                                   Gbm  
 No there's nothing you can do about it
