

# Bazar Pamplona - Num Dia Cor de Laranja

Tom: D

Intro: A D A D G D A

Num dia cor de laranja, A D A D G D A

a banda só toca o que o público manda

E se você estiver triste,

a banda faz a música e você canta

Num dia cor de laranja, A D A D G D A

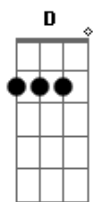

as pessoas são doces, e a chuva é de Fanta

E se a saudade bater,

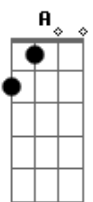

a banda toca, e os mortos se levantam

Tenha um dia cor de laranja é o que todos nós te desejamos!
