

# Bazzi - Mine

Tom: A

Yeah, I just had a lil' bit too much of Hennessy  
Just gotta tell you how I feel

You so fuckin' precious when you smile

Hit it from the back and drive you wild

Girl, I lose myself up in those eyes

I just had to let you know you're mine

Hands on your body, I don't wanna waste no time

Feels like forever even if forever's tonight

Just lay with me, waste this night away with me

You're mine, I can't look away, I just gotta say

I'm so fucking happy you're alive

Swear to God, I'm down if you're down all you gotta say is right

Girl anything I can do just to make you feel alright

Oh, I just had to let you know you're fine

Running circles 'round my mind

Even when it's rainy all you ever do is shine

You on fire, you a star just like Mariah

Man this feel incredible, I'll turn into a bride, you're mine

Hands on your body, I don't wanna waste no time

Feels like forever even if forever's tonight

Just lay with me, waste this night away with me

You're mine, I can't look away, I just gotta say
