

# bbno\$ - Lalala

Tom: D

[Início]

Did I really just forget that melody?

Naw, na, na, banana-na-na

Alright, da, da da-da-da-da

[Refrão]

When I popped off, then your girl gave me just a little bit of  
lockjaw. Baby so cold, he from the north, he from the  
Canada. Bankroll so low, I got nothing else that I  
can withdraw, ran out the door

I shine my wrist, it go like shashasha, shashasha  
I got your bitch singing like lalala, lalala  
I shine my wrist, it go like shashasha, shashasha  
I got your bitch singing like lalala, lalala  
How I stride like that

[Primeira Parte]

Amex, no cap, eight hundred score  
They wonder how (how I guap like that)  
I rap my lyrics when I perform  
They wonder how (how I stride like that)

Married to the grind, I brought my ring  
I'm corny, but your girly want the dick  
Modest with my jewels, but check the bank  
Finally got the money, say my thanks

[Segunda Parte]

Haha, I'm at the bank again  
They wonder how (how I guap like that)  
Pink whip with flames all on the side  
They wonder how (how I stride like that)  
Got that Gucci on my body, now she tryna pipe me, woah  
Popped a Lucy Loosey Goosey, sussy boy, I keep you cool

Got the paper, went to school  
Be careful who you callin' fool

Ayy, ha, ayy
