

BBS - Amanhecer

tom:

Intro: C7M Gadd9 Am Em F Am7 Am7
C7M Gadd9 Em F Am7 Am7

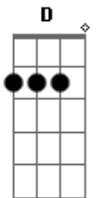

Já tinha perdido a esperança
De encontrar um amor pra viver
Foi num dia comum de semana
Em uma quarta que não deu pra esquecer
Tentando concentrar nas palavras
Mas quando acontece é pra valer
Não importa o tempo ou a distância

São detalhes pra esquecer

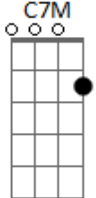

[Refrão]

Cadd9 D Em7
Nada vai nos separar
Ainda temos tanto pra fazer
Cadd9 D
Dias ruins foram necessários
Pra que eu pudesse estar com você
Cadd9 D Em7
Hoje eu sei o que é viver
Vamos dormir só quando amanhecer
(Amanhecer)
