

# Beabadoobie - California

tom:

A

D2 B2 A2  
 Spending too much time out in California  
 D2 B2 A2  
 And for all this time I'll be waiting for you  
 D2 B2 A2 D2  
 Will you call me a cab so I can finally get back?  
 D2 A2 D2 B2 A2  
 Never felt that, I've never felt that

Bm7 D7M A  
 Always the same from the inside  
 Bm7 D7M A  
 Wanted to change, it took a big fight  
 Bm7 D7M A  
 Call it a bluff, you'll see it real time  
 Bm7 D7M A  
 Wish I could see it's been a rough ride

D Bm A D Bm  
 I swear I tried  
 A D Bm A  
 I swear I tried

D2 B2 A2  
 Got a fragile heart, always thought you knew that  
 D2 B2 A2  
 And you said from the start: Guess that's how we do that  
 D2 B2 A2 D2  
 Know you're stuck in the past, you're tired of living so  
 Fast  
 B2 A2 D2 B2  
 It's not the plan  
 A2  
 You wouldn't understand

Bm7 D7M A  
 Always the same from the inside
