Beabadoobee - Real Man

```
                   tom:
                    Am
Intro: Am  Ab7  C
       Am  Ab7  C

[Primeira Parte]

Am  Ab7   C         Am  Ab7  C
Why don't you just pull  another?
  Am Ab7  C
My simple lover
Am  Ab7 C     Am Ab7   C
I'm not going for   no other
  Am Ab7  C              D          F
I told my mother what you did, like a kid

[Refrão]

       Am      Ab7          C
And I already told you I just wanted to dance
         Am                 Ab7
Could you see me standing out here
        C
With my outstretched hand?
     Am          Ab7          C      D
I guess no one ever taught you how to be a real man, hm

( Am  Ab7  C )
( Am  Ab7  C )

[Segunda Parte]

Am Ab7  C      Am Ab7  C
Walking as the morning beckons
             Am Ab7  C
You said you'd be    a second
Am     Ab7 C                  Am    Ab7     C
Locked the back door, yeah, you should have mentioned
          Am      Ab7  C
Guess I should've expected
             D          F
I'm out here blue, what to do?
```
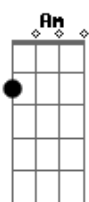

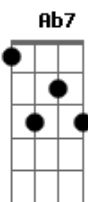

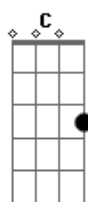

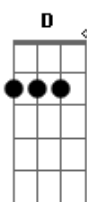

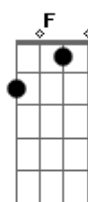

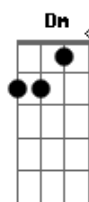

```
[Refrão]

    Am      Ab7             C
And I already told you I'm not part of the band
     Am            Ab7            C
Please forgive me just for thinking it's a fleetin' romance
        Am        Ab7          C       D
I guess no one ever taught you how to be a real man

[Final]

            Am            Dm          C
Would you hold it down and take it if I gave you a chance?
         Am       Dm          C
Need the reassurance, baby, not a silly romance
         Am          Dm           C
Guess I'm used to being disappointed, falling too fast
        Am           Ab7          C
If you want it, go and get it, and I hope you last
        Am           Ab7          C
If you want it, go and get it, and I hope you last
            Am            Dm          C
Would you hold it down and take it if I gave you a chance?
         Am       Dm          C
Need the reassurance, baby, not a silly romance
         Am          Dm           C
Guess I'm used to being disappointed, falling too fast
        Am           Ab7          C
If you want it, go and get it, and I hope you last
        Am           Ab7          C
If you want it, go and get it, and I hope you last
            Am            Dm          C
Would you hold it down and take it if I gave you a chance?
         Am       Dm          C
Need the reassurance, baby, not a silly romance
         Am          Dm           C
Guess I'm used to being disappointed, falling too fast
        Am           Ab7          C
If you want it, go and get it, and I hope you last
        Am           Ab7          C
If you want it, go and get it, and I hope you last
