

# Beabadoobee - The Moon Song

tom:

Intro: Dm G C C7M C C7M

I'm lying on the moon

My dear, I'll be there soon

It's a quiet and starry place

Time's we're swallowed up

In space we're here a million miles away

There's things I wish I knew

tom:

There's no thing I'd keep from you

It's a dark and shiny place

But with you my dear

I'm safe and we're a million miles away

I'm lying on the moon

It's a perfect afternoon

Your shadow follows me all day

Making sure that I'm

Okay and we're a million miles away

## Acordes
