(Brian Wilson / Mike Love)

Intro: B A

Verse 1:

Well, East Coast girls are hip, I really dig those styles they wear
 And the Southern girls with the way they talk
 They knock me out when I'm down there
 The midwest farmers' daughters really make you feel alright
 And the Northern girls with the way they kiss
 They keep their boyfriends warm at night

Chorus:

I wish they all could be California,
 I wish they all could be California,

I wish they all could be California,
 I wish they all could be California Girls

Verse 2:

The West coast has the sunshine, and the girls all get so tanned
 I dig a French bikini on Hawaiian Island dolls
 By a palm tree in the sand
 I been all around this great big world and I've seen all kinds of girls
 But I couldn't wait to get back in the states,
 Back to the cutest girls in the world

[repeat chorus]

Organ break [arr. for guitar]

v v v v v v v v

I wish they all could be California girls
 (wish they all could be California) 4x
