

The Beach Boys - Let The Wind Blow

Tom: Db

Intro: G7

Let the wind blow
 Let the grass grow
 But don't let her go
 Don't take her out of my life
 Don't take her out of my life

Instrumental:

Let the moon glow (Let the moon glow)
 On the fallen snow (Let the moon glow on the fallen

snow)

But I just got to know (Let the breeze blow...)
 Know she'll be a part of my life
 Know she'll be a part of my life
 Forever

Bridge:

Let the bees make honey
 Let the poor find money
 Take away their sorrows
 Give them sunshine
 But don't take her out of my life
 Don't take her out of my life
 What would I do without her tell me now

Let the bird sing
 With the coming spring
 Let the church bells ring
 Let the rain fall, let the grass grow
 Let the moon glow on the fallen snow
 But don't take her out of my life
 Please keep her a part of my life
