## Acordes

Ebm7

Let the bees make honey

Ab7

Let the poor find money

Ebm7

Take away their sorrows

Give them sunshine

But don't take her out of my life

Don't take her out of my life

What would I do without her tell me now

Let the bird sing

With the coming spring

Let the church bells ring

Let the rain fall, let the grass grow

Let the moon glow on the fallen snow

But don't take her out of my life

Please keep her a part of my life
