

The Beach Boys - Time To Get Alone

Tom: C

^D
I looked at you baby

^G
And what did I see?

^{Em}
I saw love in your eyes

^A ^{A7}
Made me feel so warm inside

^D
Now look at me baby

^G
And what do you see?

^{Em}
You see love in my eyes

^A
Gleaming just for you

^{A7}
And now we know it's

[CHORUS]

^D ^A
Time to get alone

^{Bm}
To get alone

^{Bm} ^G
And just be together

^{Dm7} ^G
We'll only be together

^D ^A
Come and do a couple days

^{Bm}
Just a ways

^{Bm} ^G
Away from the people

^{Dm7} ^G
And safe from the people

^D
The pine-scented air

^G
Smells so good in the snow

^{Em}

In our toboggan we'll go

^A ^{A7}
Screaming down the mountainside

^D
The touch of your cheeks

^G
When they're rosy and cold

^{Em}
Feels so cozy to hold

^A
Just to take you close

^{A7}
And make you warm and

[CHORUS]

^C ^{Gm7} ^C
Lyn' down on our backs

^F
Lookin' at the sky

^C ^{Gm7} ^C
Looking down through the valley so

^F
Deep and wide

^{Am7} ^{Dm7} ^{Dm7}
Aren't you glad we finally got away

^{Am7} ^{Dm7}
Glad we finally got away

^{Am7} ^{Dm7}
Aren't you glad we finally got away

^D
Now I looked around baby

^G
And what do I see

^{Em}
I see love in your eyes

^A
And I'm so glad that we

^{A7}
Finally had some
