But I'm confident when I'm with you

Lately, all I feel is bad and bruised

Tired of tripping on my shoes

But when he loves me, I feel like I'm floating

When he calls me pretty, I feel like somebody

Even when we fade eventually to nothing

You will always be my favourite form of loving

When I start to tumble from the sky

You will always be my favourite form of loving

You will always be my favourite form of loving

You will always be my favourite form of loving

You will always be my favourite form of loving

You will always be my favourite form of loving

You will always be my favourite form of loving

When he calls me pretty, I feel like somebody

Even when we fade eventually to nothing

You will always be my favourite form of loving

But when he loves me, I feel like I'm floating

When he calls me pretty, I feel like somebody

Even when we fade eventually to nothing

You will always be my favourite form of loving

But when he loves me, I feel like I'm floating

When he calls me pretty, I feel like somebody

Even when we fade eventually to nothing

You will always be my favourite form of loving

But when he loves me, I feel like I'm floating
