Beady Eye - I'm Just Saying
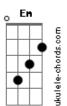

Tom: C
Intro: Em A
      Em A C F (4x)

```
Am                      C
You might think that grass is greener
    F             D
And here I am on the other side
Am              C
Laying back on a round-a-bout
F              D
Building castles in the sky

C                Am
Ten years later we'll remember
F              D
Throw away songs we've learned today
C             Am
Twenty twenty visionary
F
Never waste a single day
D
Never waste a single day
C'mon!
```

(Em A C F) (4x)

```
Am                  C
Back again with the fist full of pennies
F          D
All I get is join the queue
Am              C
Got called back while you were out
F                D
I'm not bothered, but so are you

C              Am
It's plain to see
            F          D
It's already down for me
              C            Am
Wanna make a feast of it all
        F              D
Scratch my name on the wall

      C          Am
I'm feeling fine
          F          D
This is my time to shine
                    C         Am
It's nearly but it's not too late
                    F
The future's getting underway

              D
I'm just saying, I'm just saying
```
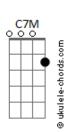

Solo: Base Em A C F (8x)

C             Am
Ten years later we'll remember
F              D
Throw away songs we've learned today
C             Am
Twenty twenty visionary
F                D
Never waste a single day

C             Am
It's plain to see
            F          D
It's already down for me
              C            Am
Wanna make a feast of it all
        F              D
Scratch my name on the wall

      C          Am
I'm feeling fine
          F          D
This is my time to shine
                    C         Am
It's nearly but it's not too late
                    F       D
The future's getting underway

                    C      C7M Am
I'm just saying (1, 2, 3)
                    F        D
I'm just saying (you and me)
                    C      C7M Am
I'm just saying (7, 8, 9)
                    F           D
I'm just saying (no wasting time)
                    C      C7M Am
I'm just saying (1, 2, 3)
                    F        D
I'm just saying (you and me)
                    C      C7M Am
I'm just saying (7, 8, 9)
                    F           D
I'm just saying (no wasting time)

I'm just saying...
```
