

# Bear Me Again - 2062

Tom: E

(com acordes na forma de Capostrate na 4ª casa C)

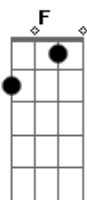

When tomorrow comes, I hope you recognize  
 My youthful soul beneath the wrinkles on my lips  
 And even if I'm blind, or too numb to perceive  
 I know you'll always be looking out for me  
 And I'll be wondering if the last time we were alone  
 Made you wish we'd be alone again  
 Cause since I was a kid, I've had so many dreams  
 And I've been working hard to see them come to pass

Now I have lost count of the futures that I've missed  
 When they showed themselves in the present in front of me  
 Honey, I can't wait for the road ahead of us  
 But I won't make the same mistake, not with you  
 Cause, darling, I am here  
 And I'm yours and time is ours now  
 I won't waste another second waiting for  
 The future to come around  
 On the 8th of March, in 2062  
 Kiss me and remind me of my 50 years with you
