tom: A (forma dos acordes no tom de G )  
 Capotraste na 2ª casa  
 Intro: E Dbm B A  
 E Dbm B A

[Primeira Parte]

E  
 Agape  
 Please don't dissipate  
 Yeah I know that I have got it so wrong  
 I'm reaching out  
 To touch your voice  
 But baby I'm clutching at straws  
 Even though  
 Your words hurt the most  
 I still want to hear them everyday  
 You say let it go  
 But I can't let it go  
 I want to believe every word that you say

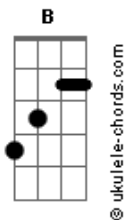

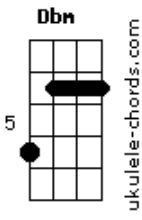

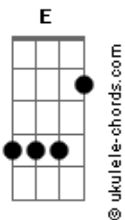

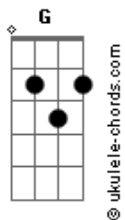

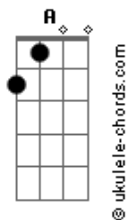

[Refrão]

For I'm so scared of losing you  
 And I don't know what I can do about it  
 About it  
 So tell me how long love before you go  
 And leave me here on my own  
 I know it  
 I don't want to know who I am without you  
 ( E Dbm B A )

[Segunda Parte]

E  
 Well Agape
