

Beast In Black - Blind And Frozen

tom:

G
Once I touched your heart
Em
Held you in closed arms
C
Em
Built a haven for your love
C
Am
Until I let you fall apart
Em
Please forgive me

Em
God I miss you like hell
C
I was wrong I can tell
G
D
For the heart can be blind and frozen
Am
Now I live with the pain
Em
Every night, every day
C
D
As I read those letters you wrote me
Em
How I long for the time
C
When your lips would kiss mine
G
D
And the promise was still unbroken
Am
I will wait for tomorrow
Em
That may never come
C
D
G
I will wait in the name of love

Em
My forlorn heart faintly beats
Em
C
Your absence makes me weak
Em
And if nothing brings you back
C
Am
Surely I'll roam through life in black
Em
Like a shadow

Em
God I miss you like hell
C
I was wrong I can tell
G
D
For the heart can be blind and frozen
Am
Now I live with the pain

Em
Every night, every day
C
D
As I read those letters you wrote me
Em
How I long for the time
C
When your lips would kiss mine
G
D
And the promise was still unbroken
Am
I will wait for tomorrow
Em
That may never come
C
D
G
I will wait in the name of love

Am
F
I would die for the love of mercy
Am
F
Am
Destiny, is this how it should be? No no no!
Em
God I miss you like hell
C
I was wrong I can tell
G
D
For the heart can be blind and frozen
Am
Now I live with the pain
Em
Every night, every day
C
D
As I read those letters you wrote me

Em
God I miss you like hell
C
I was wrong I can tell
G
D
For the heart can be blind and frozen
Am
Now I live with the pain
Em
Every night, every day
C
D
As I read those letters you wrote me
Em
How I long for the time
C
When your lips would kiss mine
G
D
And the promise was still unbroken
Am
I will wait for tomorrow
Em
That may never come
C
D
G
I will wait in the name of love
