

# Beatrice Miller - Buy Me Diamonds

Tom: G

**C** **Am**  
You made me feel so unwanted  
**Em** **D**  
Made the decision to leave you behind  
**C** **Am**  
You say you've changed and you're sorry  
**Em** **D**  
But I don't wanna know

**C**  
So give me something I can hold  
**Am**  
That I can trust and call my own  
**Em** **D**  
That won't run out and leave me cold  
**C**  
Give me something that won't tell me lies  
**Am**  
Won't leave me hanging out to dry  
**Em**  
Won't fuck me over make me cry

**D** **C** **Am** **Em**  
Save your love and buy me diamonds  
**D**  
Save your love and buy me diamonds

**C**  
Give me something I can hold  
**Am**  
That I can trust and call my own  
**Em**

**Em** **D**  
But I don't wanna know
