

Beatrice Miller - Yes Girl

Tom: G

Verse:

I'll tell you what you wanna hear
'Cause the truth is always in the way
I never wanna live in fear
I don't wanna hold back all the things I need to say
say,
say

Chorus:

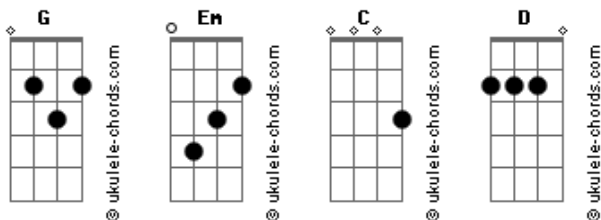

I've got you figured out, you need to have control
You think that I don't know, I know you, I know
Tryina tell you now I've been doing what you want
But I won't be your Yes Girl, no, not anymore
Just let me go, Just let me go,
I won't be your Yes Girl, no, not anymore
Just let me go, just let me go
I won't be your Yes Girl, no, not anymore
(Em C G D)

Verse:

Used to always let me in,
Do you even know you're changed?
Now you're my favorite sin
Cos you're either on my side or I'm a mile away
oh oh oh
oh oh oh

Chorus:

Acordes

I've got you figured out, you need to have control
You think that I don't know, I know you, I know
Tryina tell you now I've been doing what you want
But I won't be your Yes Girl, no, not anymore
Just let me go, Just let me go,
I won't be your Yes Girl, no, not anymore
Just let me go, just let me go
I won't be your Yes Girl, no, not anymore

Bridge:

No
I won't do it anymore
I won't do it anymore

[Chorus]

I've got you figured out, you need to have control
You think that I don't know, I know you, I know
Tryina tell you now I've been doing what you want
But I won't be your Yes Girl, no, not anymore
Just let me go, Just let me go
I won't be your Yes Girl, no, not anymore
Just let me go, just let me go
I won't be your Yes Girl, no, not anymore
Just let me go, just let me go
I won't be your Yes Girl, no, not anymore
