

Bebe Rexha - Atmosphere

Tom: D

^{Bm} I feel in the beginning when we're living
^G We were tripping, we were so high
^D When you tell me that you love me were you bluffin?
^{Bm} Was it nothing? Now you're so dry
^{Bm} You can tell me that you're sorry
^G But I know that you don't mean it, baby don't lie
^D Don't lie, baby don't lie

^{Bm} And I can't blame myself for getting lost inside the promise
^G of you
^{Bm} And I can't blame you leaving
^G 'Cause what's meant to be will always be true

^G There isn't enough love in the atmosphere
^{Bm} To keep you here, ah
^A There isn't enough love in the atmosphere
^{Bm} Don't leave me here
^D All alone

^G I ride for my baby
^A I died for my baby
^{Bm} I'd die for my baby no lie
^G There isn't enough love in the atmosphere
^{Bm} In the atmosphere

^{Bm} Remember we were running up and down
^G And getting messy in the hallways
^D Told me that forever was the time we'd be together, baby,
 always
^{Bm} Now you're saying that you're sorry
^G But I know that you don't mean it cause you won't stay
^D No you won't stay, you won't stay

^{Bm} And I can't blame myself for getting lost inside the promise
^G of you
^{Bm} And I can't blame you leaving
^G 'Cause what's meant to be will always be true

^G There isn't enough love in the atmosphere
^{Bm} To keep you here, ah
^A There isn't enough love in the atmosphere
^{Bm} Don't leave me here
^D All alone

^G I ride for my baby
^A I died for my baby
^{Bm} I'd die for my baby no lie
^G There isn't enough love in the atmosphere
^{Bm} In the atmosphere

^G If there's winners and losers
^{Bm} Then I'll be the loser
^D I'm still here I choose you
^G I don't want another if we can't have each other
^{Bm} 'Cause baby I love you

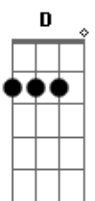

^G Maybe in a different world
^A Baby I could be a girl
^{Bm} Maybe then I'd be with you

^G If there's winners and losers
^{Bm} Then I'll be the loser
^D I'm still here I choose you

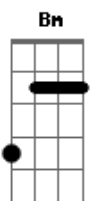

^G There isn't enough love in the atmosphere
^{Bm} To keep you here, ah
^A There isn't enough love in the atmosphere
^{Bm} Don't leave me here
^D All alone

^G I ride for my baby
^A I died for my baby
^{Bm} I'd die for my baby no lie
^G There isn't enough love in the atmosphere
^{Bm} In the atmosphere
