

# Bebe Rexha - Say My Name (Feat. David Guetta & J Balvin)

Tom: A  
Intro: Am Dm C E E  
Am Dm C E E

[Primeira Parte]

You've been dressing up the truth  
I've been dressing up for you  
Then you leave me in this room, this room  
Pour a glass and bite my tongue  
You say I'm the only one  
If it's true, then why you running, you running?

[Pré-Refrão]

Oh-woah-oah  
If you're really being honest  
If you really want this  
Why you acting like a stranger  
What's with your behavior?

[Refrão]

Say my name, say my name  
If you love me, let me hear you  
Say my name, say my name  
I am dying to believe you  
I feel alone in your arms  
I feel you breaking my heart  
Say my name, say my name  
If you love me, let me hear you  
Let me hear you

( Am Dm C )

[Segunda Parte]

I got darkness in my head  
Don't believe a word you said  
Still I let you in my bed, my bed  
Got too many different sides  
Got designer in your eyes  
Something has to change tonight, tonight, tonight

[Pré-Refrão]

Oh-woah-oah  
If you're really being honest

If you really want this (oh-woah-oah)  
Why you acting like a stranger  
What's with your behavior? (oh-woah-oah)

[Refrão]

Say my name, say my name  
If you love me, let me hear you  
Say my name, say my name  
I am dying to believe you  
I feel alone in your arms  
I feel you breaking my heart  
Say my name, say my name  
If you love me, let me hear you

[Ponte]

Yeah, yeah  
Let me hear you  
Yeah, woo, woo, woo  
Let me hear you  
Eres candela  
Let me hear you  
Pa' mi única nena

[Segunda Parte]

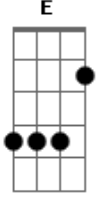

(J Balvin, men, leggo, come on)  
Escucha como digo tu nombre  
Desde Medellín hasta Londres  
Cuando te llamo, la maldad responde  
No pregunta cuándo, sólo dónde  
Te dejás llevar, de lo prohibido eres adicta  
Una adicción que sabes controlar  
Y te dejás llevar, lo más caliente en la pista  
Todo lo que tienes de muestra, ¿pa' qué lo dan?  
Mordiendo mis labios verás  
Que nadie más está en mi camino  
Nada tiene por qué importar  
Déjalo atrás, estás conmigo  
Mordiendo mis labios verás  
Que nadie más está en mi camino  
Nada tiene por qué importar  
Déjalo atrás, estás conmigo
