

Bebeth Nascimento - Força de Viver

tom: E

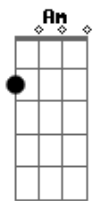

Viver em paz
 É uma seta, é uma meta
 Que o samba traz

E o poeta desperta da solidão
 Com a inspiração
 Da beleza do mundo
 Eu quero é mais
 Que as pandemias, as pragas
 E os temporais

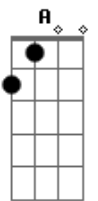

Tragam a sabedoria dos ancestrais
 Força de viver, sem nunca esquecer

Que essa vida é uma guerra
 Amor vem cá
 Se a maldade impera
 Vamos lutar
 Por uma humanidade melhor
 Onde o povo possa cantar
 Sem a garganta a dar nó
 Com tanto a comemorar
 Pelos filhos e pelos avós
 Com a benção dos orixás
 Quando esse dia chegar
 Vocês vão se lembrar de nós
