It's a new era for this country

C B C B C B C C B C

We've got too far, and now we're very proud of us

Now listen to your president!

(E)

There's a Rogue nation under our feet

E
I can feel it, I can feel it

E
Where are the bad guys I saw on TV?

E
Are they there, are they here?

E
Government is in danger 'cause there are spies

E
But we can't find them, we can't find

E
Ready to explode our nation, make us slave

E
Save us, Save us

E G
The president is an alien, he will eat our heads

C B
The president is an alien, Don't look at him, don't look

E G
The president is an alien He hypnotized you

C B E
The president is an alien, president is an alien

E
The aliens are coming, don't look at them

E
Don't look at them, Don't look

E
The aliens are coming to eat our heads

E
Don't look at them, don't look

E
The president makes us feel like we are safe

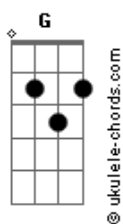

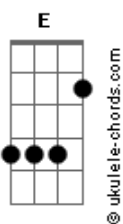

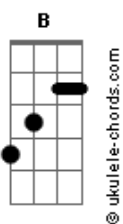

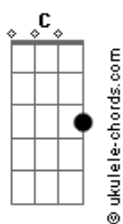

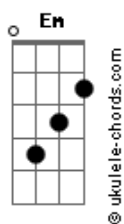

E
But we are not, but we are not

E
The president is an alien, president is an alien

E
The president is an alien

E G
The president is an alien, he will eat our heads
