

# Becca Lopes - Serenata

Tom: A

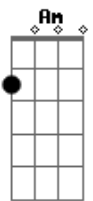

m  
 Sei que é comum <sup>Am</sup> <sup>E</sup>  
 Em nosso tempo <sup>Am</sup>  
 Mas não me foge <sup>E</sup>  
 O pensamento <sup>Dm</sup>  
 Dessa vontade louca <sup>G</sup>  
 De cantar enquanto dormes <sup>G</sup>  
 Grande cidade <sup>C</sup>  
 Em profano leito <sup>F</sup>  
 Arranco notas desse peito <sup>Bb</sup>  
 Sem jeito de ninar <sup>E</sup> <sup>Am</sup>  
 Entoo meu canto  
 Desatinado e triste  
 Por saber que ainda existe <sup>Dm</sup>  
<sup>G</sup>

Em meu sonho acordado  
<sup>G</sup>  
 Um modo desesperado  
<sup>C</sup>  
 De querer te acordar  
<sup>F</sup>  
 Mas se acordares  
<sup>Bb</sup>  
 Não digas nada  
<sup>E</sup>  
 Versos e viola enluarda  
<sup>Am</sup>  
 Escutas  
<sup>E</sup>  
 Irá nas horas  
<sup>Am</sup>  
 Virá nos ventos  
<sup>E</sup>  
 Noite afora  
<sup>Am</sup>  
 Meus sentimentos  
<sup>Dm</sup>  
 Em busca da porta  
<sup>G</sup>  
 De quem quero dá  
<sup>C</sup>  
 Com todo coração  
<sup>E</sup> <sup>Am</sup>  
 Essa serenata ao luar
