

# Beck Mongolian Chop Squad - Follow Me

Tom: G

Follow me

Baby, I won't let you leave if you believe in me

And I always set you free from all those yesteryears

But you don't know how much

I got believe in you

I was staring at your shoulder shivering

In such a coldest summer breeze

Meanwhile I wonder why we're here

Am G F#m9- Em

Look for the line between love and friends

Gm Cm7 Gm Cm D D

We'll be twisting ourselves again

I was standing at the corner on the street

Watching the wheels are turning free

Waiting to back up on my feet

Reading a line between night and day

I'll be twisting myself again
