

Beck Mongolian Chop Squad - Follow Me

Tom: G

Follow me

Baby, I won't let you leave if you believe in me

And I always set you free from all those yesteryears

But you don't know how much

I got believe in you

I was staring at your shoulder shivering

In such a coldest summer breeze

Meanwhile I wonder why we're here

Look for the line between love and friends

We'll be twisting ourselves again

Repita os acordes até o fim da música ou, no refrão, você pode usar os acordes que estão no lá.

I was standing at the corner on the street
 Watching the wheels are turning free
 Waiting to back up on my feet
 Reading a line between night and day
 I'll be twisting myself again

Follow me

Baby, I won't let you leave if you believe in me

And I always set you free from all those yesteryears

But you don't know how much

I got believe in you

I was staring at your shoulder shivering

In such a coldest summer breeze

Meanwhile I wonder why we're here

Look for the line between love and friends

We'll be twisting ourselves again

Follow me

Baby, I won't let you leave if you believe in me

And I always set you free from all those yesteryears

But you don't know how much

Follow me

Baby, I won't let you leave if you believe in me

And I always set you free from all those yesteryears

But you don't know how much

I got believe in you

But you don't know how much

I got believe in you
