Album: Guero  
 Tabbed by: Dan Benz (DanS)

Lyrics:

off of their album "Guero". The main guitar riff is very catchy, and to try to get it out of my head I have tabbed it here.

See me comin to town with my soul  
 Straight down out of the world with my fingers  
 Holding onto the devil that I know  
 All my troubles 'll hang on your trigger  
 Take your eyes and your mind from the road  
 Shoot your mouth off but look where you're aiming  
 Don't forget to pick up what you sow  
 Talking trash to the garbage around you

a quarter step. I spent a short time wondering what was wrong with my guitar and why it sounded slightly off no matter how I played it.

See me kickin the door with my boots  
 Broke down out in a ditch of old rubbish  
 Snakes and bones in the back of your room  
 Handing out a confection of venom  
 Heaven's drunk from the poison you use  
 Charm the wolves with the eyes of a gambler  
 Now I see it's a comfort to you  
 Hammer my bones on the anvil of daylight

The dots under the tab are just to show where the beat is.

I won't give up that ghost  
 It's sick the way these tongues are twisted  
 The good in us is all we know  
 There's too much left to taste that's bitter

Tuning: 1/4 step down!
