

Beck - Girl (Ver. 2)

Tom: Db

I saw her, yea I saw her
 With a black tongue tied
 Round the roses a fist pounding on a vending machine
 Toy diamond ring stuck on her finger
 (bass enters)
 With a noose she could hang from the sun
 And put it out with the dark sunglasses
 Walking crooked down the beach
 She spits in the sand
 Where their bones are bleaching

CHORUS:

And I know I'm gonna steal her eye
 She doesn't even know it's wrong

And you know I'm gonna make it die
 Take her where her soul belongs
 Know I'm gonna steal her eye
 Nothing that I wouldn't try
 Hey My sun eyed girl
 Hey my sun eyed girl
 My sun eyed girl
 Hey my sun eyed girl

I saw her, yea I saw her
 With her hands tied back
 Her rags are burnin'
 Calling out from a landfilled life
 Scrawling her name up on the ceiling
 Throw a coin in the fountain of dust
 White noise, her ears are ringing
 Got a ticket for my midnight hanging
 Throw a bullet from a freight train leaving

Chorus

Acordes
